

GRIVOLA

It has been described as “arduous and beautiful” by the poet Carducci. Especially from its north face, Grivola is one of the most aesthetic peaks of Aosta Valley. The itineraries on its slopes are not extreme, but the quality of the rock and its isolation makes it a harsh tour.

Program:

Day 1:

- Meeting with the guide (time to be defined) for equipment check and briefing
- Climb to the hut or bivouac
- Dinner and overnight stay
